

HOW TO REGISTER FOR the MyChart patient portal

Follow the step-by-step instructions below to register for your MyChart account from a computer.

NOTE: Even if you receive care at UAB St. Vincent's, you will register through the UAB Medicine MyChart patient portal.

BEFORE YOU BEGIN, HAVE THE FOLLOWING READY:

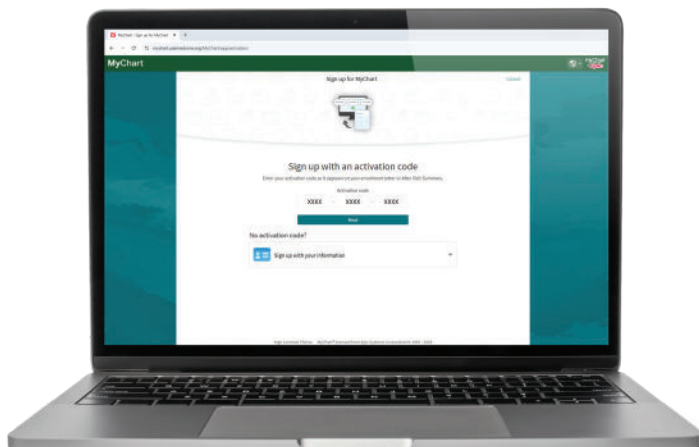

- Your email address
- Your MyChart activation code (if you received one)

STEP 1

Go to the MyChart website.

- Visit mychart.uabmedicine.org with your browser.
- In the bottom right corner of the login page, click "Sign up".

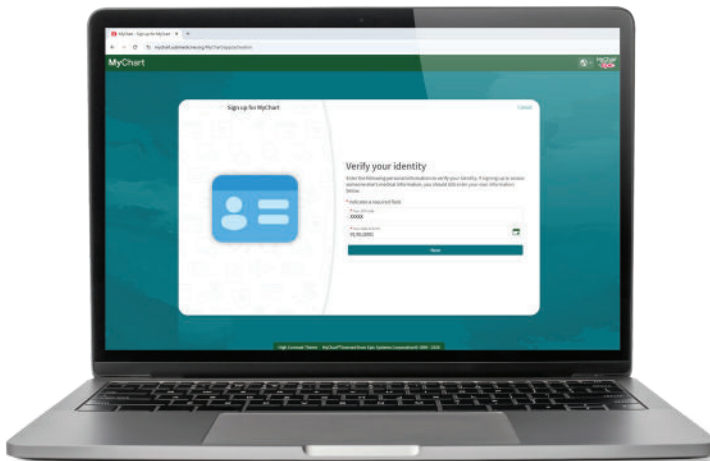

STEP 2

Sign up with an activation code or using your personal information.

- You will see "Sign up with an activation code" at top of the page.
- If you have an activation code, enter it in the boxes shown on the screen and then click "Next". Your activation code may be listed on your after-visit summary or in an email from your clinic.
- If you do not have an activation code, click "Sign up with your information".

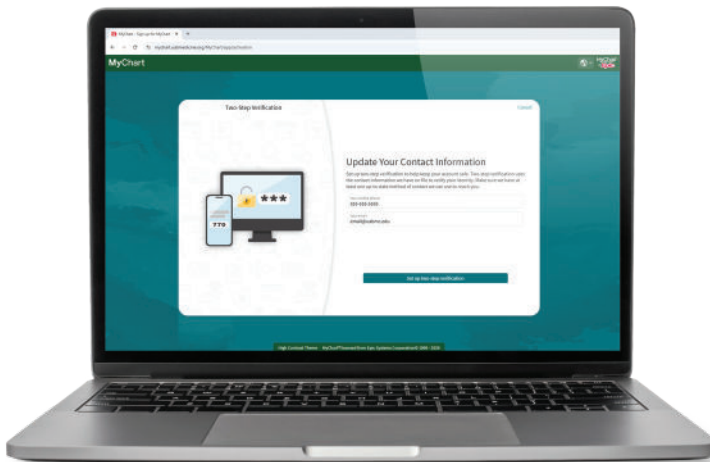

How to register for the MyChart patient portal

STEP 3

Verify your identity.

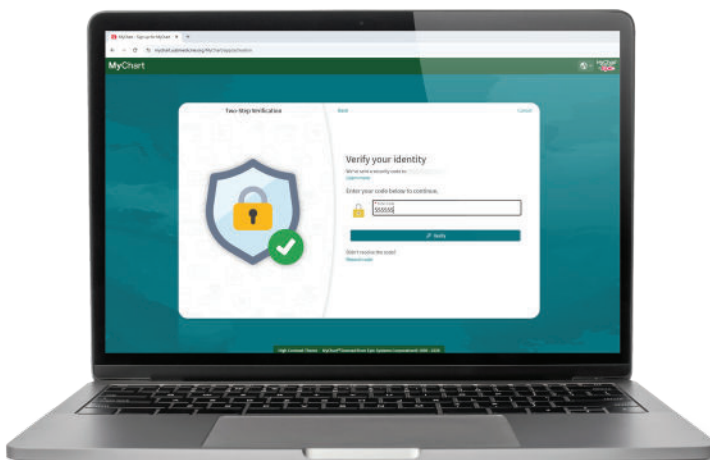

- You will be asked to enter information to confirm your identity.
- Enter your ZIP code and date of birth, then click "Next".

STEP 4

Update your contact information.

- MyChart will ask you to confirm your contact information for two-step verification.
- Make sure that your mobile phone number and email address are correct, then click "Set up two-step verification".

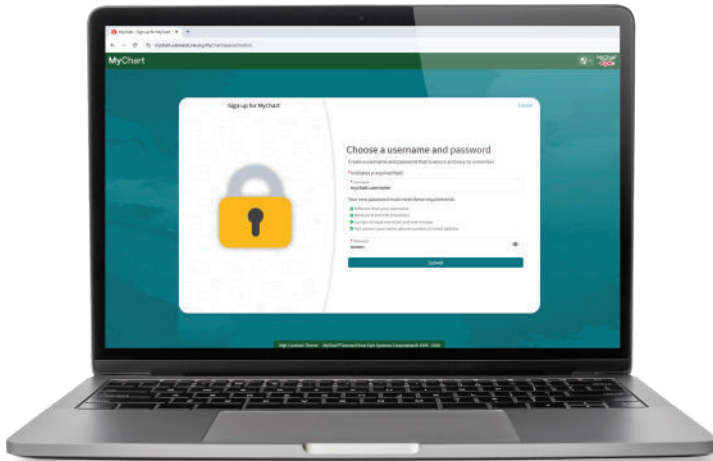

STEP 5

Enter your security code.

- MyChart will send a security code to the phone number or email address listed.
- Enter the code in the box and click "Verify".
- If you do not receive a code, click "Resend code".

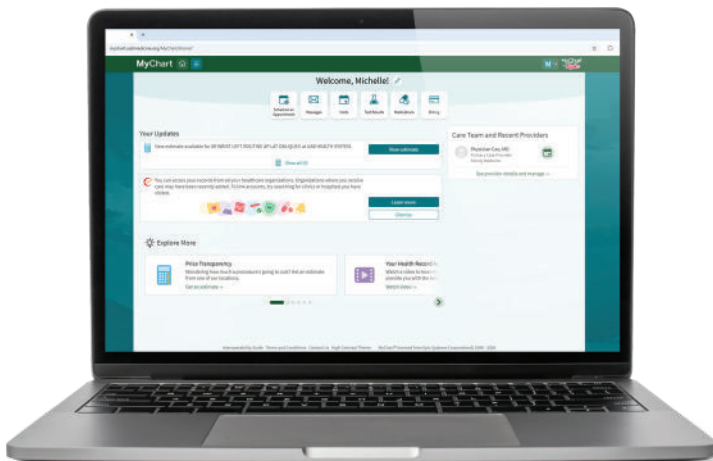

How to register for the MyChart patient portal

STEP 6

Choose a username and password.

- Your password must meet the requirements listed on the screen. It must be different from your username, have at least one letter and one number, and not include your name, phone number, or email address.
- After entering your username and password, click "Submit".

STEP 7

Start using MyChart.

- Your registration should now be complete, and you can begin using the MyChart patient portal.
